

SACRED HEART SCHOOL
HAMPTON | NEW HAMPSHIRE

January 17, 2019

Dear Sacred Heart families and local businesses,

I am writing to you on behalf of Sacred Heart School to request a donation from your business for our "Choose Love, Choose SHS" Auction. At Sacred Heart School we educate children from ages 3 through eighth grade from over 28 communities throughout the Seacoast of NH and Maine. Sacred Heart School is a Catholic School where an academic education is balanced with a foundation in the Catholic religion. Students learn the skills required to answer the call of leadership and service. They build the qualities necessary to solve problems and make smart decisions. The things the children learn at Sacred Heart go beyond the books and research; they include learning respect, tolerance and love. We have a community at our school that comes together when there is a need for prayer in times of crisis or happiness. We support all our students, family and faculty in their personal and professional lives.

We believe in nurturing the whole child. Faith is our foundation and we build on that to create a nurturing learning environment. This Auction is our primary fundraiser and we would like to make it our most successful yet! We hope that you can help us continue to offer excellent academics and help to develop each child as stewards of your community, country and world.

We are pleased to let you know that we hold our event at our school where we are reminded throughout the evening that our students are our top priority.

Date: Saturday, April 6th

Time: 5:30pm

Location: Sacred Heart School

It is only with your support that we can be successful. Please consider helping us in this important fundraising endeavor in one or more of the following ways:

- **DONATE** a product or service; i.e. tickets to shows, rounds of golf, sports tickets.
- **ADVERTISE** in the auction program; choose from a variety of sponsorship levels to maximize exposure for your business.
- **ATTEND** the Auction & enjoy a great night out while supporting our school!

Sincerely,

Teresa Morin Bailey

Principal
