

PARENTS WEB @

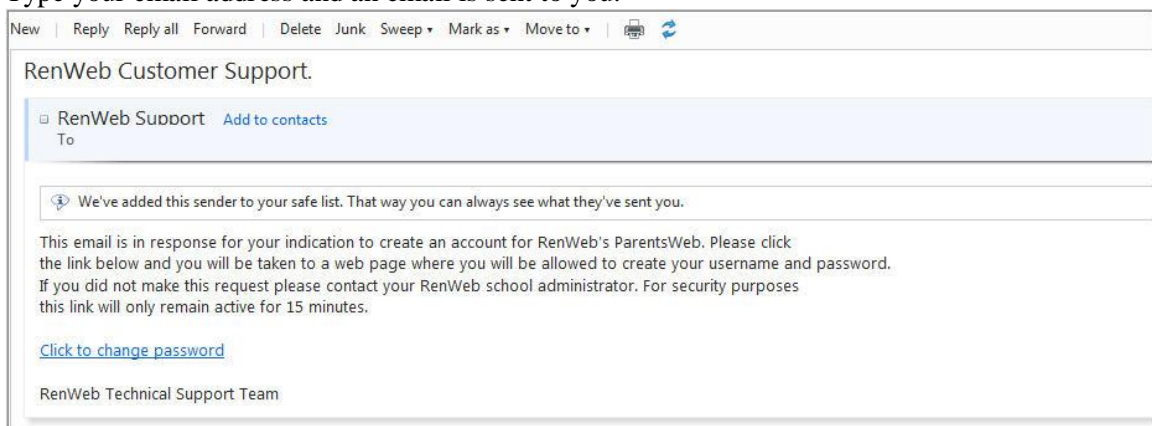

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success ó all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

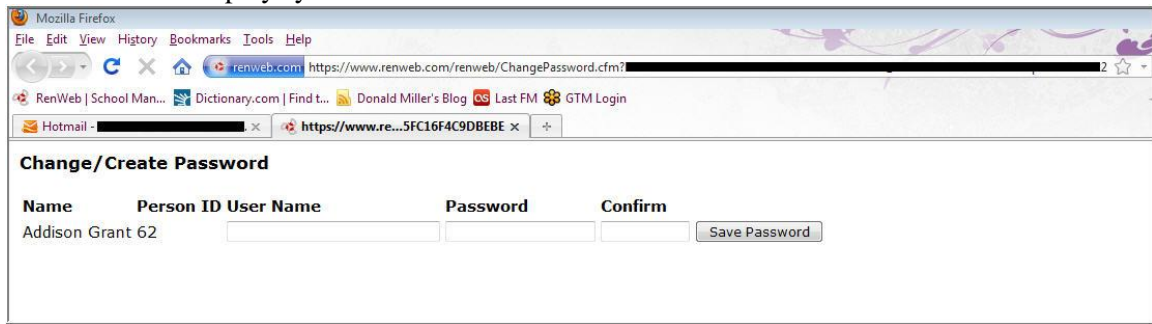

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- First, you need to make sure that the school has your email address in RenWeb.
- Next, go to www.renweb.com and click **Logins**.
- Click **ParentsWeb Login**.
- Type your school's **District Code SH-NH**
- Click **Create New ParentsWeb Account**.
- Type your email address and an email is sent to you.

- Click the **Click to change password** link. This link is only valid for 30 minutes.

- A web browser displays your Name and RenWeb ID.

- Type a **User Name**, **Password** and **Confirm** the password.
- Click **Save Password**.
A message displays at the top of the browser, "**User Name/Password successfully updated.**"

- You can now log into ParentsWeb using your new User Name and Password.

We look forward to your participation. Together we can continue to improve our children's academic development as well as communication between our school and your home.

Internet Explorer 10 Compatibility with RenWeb

If you are using Microsoft's latest internet browser, Internet Explorer 10, there are some changes you will need to make so it is compatible with RenWeb's ParentsWeb. In order for RenWeb products to run properly in Internet Explorer 10, you will need to turn on compatibility mode for the www.renweb.com site. To do this, open Internet Explorer 10 and navigate to www.renweb.com. When the site opens, click the compatibility icon shown below. Internet Explorer will remember this change once it has been made.
