

SCIENCE CLUB for 1st - 3rd Grade

Dates

Tuesdays 3:00 - 4:15pm | January 9, 16, 23, 30
Thursdays 3:00 - 4:15pm | January 4, 11, 18, February 1

Cost (includes supply fee)

Tuesday OR Thursday Sessions | \$60
Tuesday AND Thursday Sessions | \$120

This after-school club will be led by 2nd grade teacher, Mrs. Cropper. Science Club topics have been specially selected based on children's curiosities. Members will learn to observe, wonder, and ask questions just like real scientists and each meeting will include a topic video, a hands-on science experiment, and a share of results. Members should come to meetings ready to learn, cooperate and get messy!

This club will be limited to 15 students, with acceptance based on receipt of this registration form and payment. Include both items in an envelope addressed to Mrs. Cropper for your child to turn in to their homeroom teacher or the front office. You will receive an email from Mrs. Cropper confirming your child(ren)'s acceptance.

A small snack will be offered, but if your child(ren) requires an allergy-free alternative, please provide the snack.
