

# SACRED HEART SCHOOL TALENT SHOW

Week of January 31, 2021

Our annual Sacred Heart School Talent Show usually takes place during Catholic Schools' Week.

This event is always a fun time in which the talents of our students are showcased. Unfortunately we are not able to hold our traditional talent show, but I am hoping to put together a virtual one.

Any student who participates will record a Flipgrid video of him/herself performing. (This is very easy to do.) These will be put together into a "Talent Show" that can be viewed by classes and families. I hope to have the Talent Show recordings ready to view no later than Friday, February 5<sup>th</sup>.

I hope many of the students will participate! It is so exciting to see the talents of the students!

If your child is interested in taking part in the show with a serious practiced act, please fully complete the attached form. Return the form to Mrs. Popp by Thursday, January 28<sup>th</sup>.

Recordings should be done by Tuesday, February 2<sup>nd</sup> so they can be put together for the final "show."

I will send a link to record the Flipgrid when I receive the form below.

Please email any questions to Mrs. Popp at [mpopp@shshampton.org](mailto:mpopp@shshampton.org).

I look forward to seeing your talents!

Meg Popp  
Grade 3
