

Kids Eager for Engineering Program with  
Elementary-based Research Science

# STEM Summer Camp

July 12-16, July 19-23, and July 26-30  
from 8:30am - 12:00pm

This summer will be about having FUN in a SAFE environment!!

Offered on campus at the University of New Hampshire in Durham, KEEPERS provides a one week, half-day camp experience. Your kids will have a power-packed morning of hands-on, minds-on STEM challenges designed by experienced teachers. We've adapted our program to follow the safety protocols required by UNH in order to offer an in-person camp experience this summer.

Registration opens on March 15th! To register, go to:

<https://www.unh.edu/leitzel-center/keepers>

If you have any questions, contact: [sandy.coit@unh.edu](mailto:sandy.coit@unh.edu)

*Offered by:*
