

RISING 5TH GRADE SUMMER READING LIST and ASSIGNMENT

WELCOME TO SUMMER VACATION! This reading list consists of books whose authors have created characters who learn and grow demonstrating God's virtues of faith, hope, and love and the human virtues of justice, courage, forgiveness, and service. These are wonderful characteristics to read about and emulate!

Please pick any book from the eight topics. You may choose a book that is not on this list if you know of one you would like to read and can highlight a virtuous character.

You are encouraged to read more than one book if you are so inclined and will receive extra credit for doing so! You can find the book in your library or rent it digitally from a library, purchase the book from Amazon, Barnes and Noble, or another online service, or purchase an e-book version.

Once you have read the book complete one of the options below:

Make a poster that shows what we can learn from the main character or other virtuous character of the book you chose ... (how they teach about faith, hope, love, courage, justice, forgiveness, service, etc.). You can show your character demonstrating a virtue in a scene from the book or make a composite of scenes. Please make your poster illustrations colorful and any writing bold and easy to read.

(Many books highlight several virtues so feel free to point out others you see as you create your poster!) Be sure your name is on your poster.
